INTERNATIONAL PEACE INFORMATION SERVICE

## WEEKLY BRIEFING 3RD - 9TH JANUARY 2014

IPIS is an independent research institute which focuses on Sub-Saharan Africa.

Our studies concern three core themes: arms trade, exploitation of natural resources and corporate social responsibility.

### Reader's survey

As announced in December, IPIS conducts a reader's survey on the weekly briefing which is part of a wider evaluation of our work. The briefing will be back in two weeks.

A short list of 10 multiple-choice questions can be found [here](#).

Your kind participation is very much appreciated and will help us to improve our service into the following year.

We wish you an inspiring and insightful 2014!
